Frequently Asked Questions

What time can I arrive to the venue?

- You may arrive up to 2 hours before your scheduled guest time. To ensure the venue is perfect for you, we don't allow earlier arrivals.

Do we have a ceremony rehearsal?

- With the ceremony processional sheet, the maître 'd lines everyone up the day-of and will guide each person down the aisle for the processional. It is always an easy, stress-free process! We have 150 weddings a year and 99% do not have rehearsals!

What happens with ceremonies in inclement weather?

- We'll decide your ceremony location together 2 hours before the wedding, based on weather and radar. If it moves indoors, we'll set up the ballroom, then escort guests to cocktail hour while we smoothly transition the room—tables are pre-set behind a divider for a seamless setup.

Do you have recommended vendors?

- Yes please [click here for a list of preferred vendors](#). We also have Vendor Bundles you can add on to any date/time. Please [click here to view vendor pricing](#).

When do I need to tell you about my vendors and do they need insurance?

- Your vendor information can be brought to the final meeting on the form under Final Steps. If they are not on our recommended vendor list, they will need to email a COI (Certificate of Insurance) to kwiggins@lessings.com or ebarrett@lessings.com

Does The Vineyards include valet parking?

- We do not include a valet service, as we have ample parking. With valet, unfortunately, the main road tends to bottleneck, when it is much easier to just pull in the lot and self-park. If you would like valet, it is \$180 per valet, minimum 4 valet to keep the line moving.

Does The Vineyards provide music or a microphone?

- We do not provide ceremony music, but can provide a voice amplification hand-held microphone for \$250 additional. Your DJ or band can also handle this setup with you so the music and mic flow seamlessly.

Does the Vineyards include centerpieces or decor?

- We include babies breath in small vases for the cocktail farm tables. All other candles, signage, flowers, staircase decor etc. is NOT included and would be up to you to bring in. If you do not have a floral vendor and have extensive setup from DIY items/centerpieces, we can set up the items that a florist is usually responsible for handling for you for a \$495-\$795 setup fee.
